To all Friends and Exhibitors

Please accept the Mitchell County Fair Premium List as an invitation to make entries to the 2026 Mitchell County Fair.

With your help and cooperation, the Mitchell County Fair will be the best we have ever had. This year will be the 155th of the Fair as a public institution.

The Fair Board has worked long and hard to assemble a program. This year's program will include more community-sponsored programs than ever before; that is because people are more interested in such programs than some highly advertised professional entertainment.

This year there will be free carnival rides, complimentary from the Fair Board.

The businessmen and women of Mitchell County are making this program possible with their fine support.
